Anguilla Financial Services Commission

FINANCIAL STATEMENTS

December 31, 2016

(Expressed in United States Dollars)

Anguilla Financial Services Commission

Financial Statements for the period ended 31 December 2016

Certificate of Audit and Report of the Chief Auditor

Section 59(2) of the Financial Administration and Audit Act (Revised Statutes of Anguilla Chapter F27 as at 15 December 2010) (the Act) permits me, as Chief Auditor, to accept the audit of the accounts and financial statements of a government agency by an independent auditor of the government agency if the appointment of the auditor has been approved by me, and the audit of the government agency has been performed in accordance with my directions.

After I accept the audit of the accounts and financial statements of a government agency by an independent auditor, Sections 59(6) and (7) of the Act require me to issue a certificate of audit and prepare a report that evidences the acceptance of the audit of the independent auditor, and to send the certificate of audit and report to the government agency, to the minister responsible for the government agency and to the Minister of Finance.

Section 16 of the Financial Services Commission Act (Revised Statutes of Anguilla Chapter F28 as at 15 December 2010) requires the Financial Services Commission to submit to the Governor a copy of its audited accounts, including the report of the auditor on the accounts, and a report on its operations and activities for the financial year (the annual report). The Governor is required, as soon as is reasonably practicable, to cause them to be tabled in the House of Assembly.

The appointment of Grant Thornton (GT) as the independent auditor of the Financial Services Commission was accepted by me. GT were directed to undertake their audit in accordance with appropriate auditing standards, and I accept their audit of the Commission's financial statements for the year ended 31 December 2016.

As recorded in their Auditor's Report, GT have audited the statement of financial position of the Financial Services Commission as of 31 December 2016, the statements of comprehensive income, the statement of changes in accumulated reserves and statement of cash flows for the year then ended, and notes to the financial statements and significant accounting policies. The Commission's management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards and the Financial Services Commission Act. GT's responsibility is to express an opinion on the financial statements based on their audit.

GT conducted their audit in accordance with International Standards on Auditing. Those standards require that GT comply with ethical requirements and plan and perform the audit to obtain reasonable assurance on whether the financial statements are free of material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. GT believe that the audit evidence they have obtained is sufficient and appropriate to provide a basis for their opinion.

In GT's opinion the financial statements present fairly, in all material respects, the financial position of the Anguilla Financial Services Commission as of 31 December 2016 and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards and the Financial Services Commission Act.

I have no observations to make on these financial statements.

Independent Auditor's Report

To the Chief Auditor of Anguilla Anguilla Financial Services Commission

Opinion

We have audited the financial statements of **Anguilla Financial Services Commission** (the "Commission") which comprise the statement of financial position as at December 31, 2016, and the statement of comprehensive income, statement of changes in accumulated reserves and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Commission as at December 31, 2016, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing ("ISAs"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Commission in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* ("*IESBA Code*") together with the ethical requirements that are relevant to our audit of the financial statements in the Eastern Caribbean, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Commission's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Commission or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Commission's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Commission's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Commission to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
