Re: Statement on Novel Coronavirus (COVID-19)

The Commission continues to operate during normal business hours while following recommended actions of the Government of Anguilla during the continuing threat of the COVID-19 pandemic. As a part of our action during this global threat, the Commission has taken measures to protect the health and safety of its staff. These actions are in keeping with recommendations and the guidance issued by local and international health professionals. The Commission will provide further updates as it relates to changes to hours of operation, licensee specific advisories and other alerts as the threat of the COVID-19 pandemic evolves.

The safety, health and well-being of all stakeholders are of paramount concern to the staff and management of the Commission. We encourage all licensees to contact the Commission with updates on the deployment of your Business Continuity Plans and changes in hours of operations as you adjust to the challenges presented by the pandemic.

All licensees and interested persons are encouraged to follow us on LinkedIn to receive updates on the Commission's response to the COVID-19 pandemic, and other issues relevant to financial services.
