

Dear Service Providers:

Please note that for all incoming wire transfers the National Commercial Bank of Anguilla Limited charges a US \$20.00 fee and its intermediary bank Crown Agents Bank Ltd. charges US\$25.00. Where payments are made to the Anguilla Financial Services Commission's account via wire transfer, please include the extra US \$45.00 charge to facilitate the full payment to the Commission as stated by the relevant Financial Services Enactments Regulations.

Failure to provide the full payment to the Commission's account will result in an outstanding balance which may affect your standing with the Commission.

Your attention to this matter will be greatly appreciated.

Yours truly,

**Anguilla Financial Services Commission
Anguilla**
